

Daily Reader Alateen Game

Items needed to play:

- Game Board
- Playing Pieces (different colored beads for example)
- A Daily Reader
- 1 die

Directions:

- Each person chooses a game piece
 - The first person rolls the die and moves the number of spaces indicated
 - Player then follows the directions on the square where they landed
 - After the player has fulfilled requirements, the next player takes a turn
 - When you reach the end, you wait for the others. There is no winner (unless the group chooses to have winners).
- * Make a cheat sheet of the Slogans, holidays and Alateen Group Sponsors' birthdays to eliminate spending too much time looking up that information.
